### WORK EXPERIENCE

#### FLUTTER APP DEVELOPER - FREELANCE

EUCLID.AI | April 2021 - August 2021

- Made a cross-platform app using flutter
- Implemented a firestore database system for auth & user data collection
- Daily basis CI/CD on github

#### SHOW DIRECTOR & PRODUCTION MANAGER

BHARAT BASS FESTIVAL | April 2019 - August 2021

- Looked after the production setups of the shows.
- Mostly campus shows. Lead a team of 6-7 people every show.
- Made content for multiple social media pages.
- Operated the shows using MA2 Light & Resolume with ShowKontrol.

#### LIGHTING PROGRAMMER & MOTION DESIGNER

HMBL ENTERTAINMENT | OCTOBER 2021 - PRESENT

- Programmed Lights, Lasers & Visuals operated by a single console
- Operated Live camera feeds along with motion design for different artists & DJs.
- Made sure every show had an eye candy element.

#### SOCIAL MEDIA DESIGNER - INTERN

Marketing - Bennett University | March 2021 - PRESENT

- Designed posts & edited multiple videos for BU's social pages
- Handled multiple livestreams
- 200% increase in viewership after strategic planning of posts.
